

## **COLLEGE CANTEEN**

Many of our students come from moffusil areas of Bangalore. They leave home as early as 6 AM in order to be on time for classes which commence at 9.00AM. Therefore, the canteen housed in the college operates from 8.30 AM to 5 PM. It serves simple, but hygienic and nutritious food. Many of our faculty uses the canteen facility which helps in monitoring the quality of food served. Price of the food is affordable to students and everyday menu of tiffin, lunch and snacks is also different.
